

## **Eva Szita-Morris**

**PCC, CPCC, ORSCC, PhD (Econ.)**

**Based in London, UK**

**Languages:** English and French

Eva is an expert **Executive and Team Coach, Facilitator, Trainer and Business Consultant**, mixing these capacities as needed. She excels at one-to-one Leadership work, has in-depth experience in supporting newly appointed, as well as established leaders. She is an experienced leadership and team trust-building trainer. She also works in the area of Career Coaching, and has experience in Strategic Risk Management. She works with depth and empathy, combined with clarity and strength.

She has been a long standing faculty member of two of the leading Coach Training Institutes. At the Center for Right Relationships (CRR Global) for Organisation & Relationship Systems Coaching she gives one to one supervision in the certification programme for coaches worldwide. She also carries supervisory responsibilities at the Coaches Training Institute (CTI), where she works as an international supervisor at state of the art high-level coach training.

### **Background:**

Eva came to coaching and training fourteen years ago, after 23 years of a rich variety of life experiences, including a background in industrial, macro- and international economics, strategic risk management for large companies, development of banking sectors, and working with British Government's project to assist new businesses. She has also lectured internationally, and has written 25 articles and a book.
